## Fair Insurance Code

As members of the Insurance Council of New Zealand, we are committed to complying with the Council's Fair Insurance Code.

This means we will:

1. provide insurance contracts which are understandable and show the legal rights and obligations of both us and the policyholder;
2. explain the meaning of legal or technical words or phrases;
3. explain the special meanings of particular words or phrases as they apply in the policy;
4. settle all valid claims fairly and promptly;
5. clearly explain the reason(s) why a claim has been declined;
6. provide policyholders with a written summary of *our* complaints procedure as soon as disputes arise and advise them how to lodge a complaint and tell them about the Insurance and Savings Ombudsman Scheme;
7. be financially sound as measured by *our* Claims paying rating.

Note: The Insurance and Savings Ombudsman Scheme extends to "Small Businesses" which have no more than 5 staff and an annual turnover not exceeding \$400,000. However, it only applies to certain types of cover.

If you would like a brochure detailing the Fair Insurance Code or the Insurance and Savings Ombudsman Scheme, please ask your Broker, Adviser or Vero office.

## Insurance contract

In consideration of you having paid or promised to pay the required premium we agree to indemnify you in the manner and to the extent set out in the applicable parts of this policy.

The insurance contract consists of any statements on which this insurance is based, your proposal, the applicable parts of this policy, and the *schedule*.

## General obligations

These are the general obligations that apply to all parts of this policy. In addition, there are specific obligations, conditions, memoranda or warranties set out in the different sections of this policy. You must comply with all the obligations, memoranda, conditions or warranties of this policy. If you do not in some instances your claim will not be paid.

Some parts of this policy may cover other people or companies or entities as well as you. To gain the benefit of any cover under this policy they must meet all the same conditions and obligations you are required to meet.

### **To disclose material information**

You must advise us of all *material information* before inception of the policy and before each renewal or variation of the policy. Failure to do so entitles us to avoid the policy.

*Material information* includes any information which might influence the decision we make as to whether or not to provide insurance and if so on what terms and at what premium.

### **If circumstances change**

1. You must *notify us* immediately of any change in circumstances that has happened after the start of this policy or that you know is going to happen and which may increase:
  - (a) the amount of the risk; or
  - (b) the risk of *loss, damage, liability, disablement*; or
  - (c) the risk of insuring you.
2. If you do *notify us* of a change we may alter the premium and/or the terms of this contract.
3. If you do not comply with this obligation any *loss, damage, liability or disablement* that happens after the date of the change in circumstance may not then be insured and we may not continue to insure you.

## **To provide accurate information**

You must make sure all statements made to us are in every respect correct and complete.

## **To avoid loss, damage or liability**

If you are insured with us then you must take all reasonable care at all times to:

- (a)** make sure all property covered by this insurance is kept safe and protected from possible *loss* or *damage*;
- (b)** maintain any protective devices, including but not limited to sprinkler systems and alarms, in an operational condition;
- (c)** avoid any *loss*, *damage* or *injury* for which you could be held legally liable.

You must not intentionally or recklessly cause *loss* or *damage* to any property covered by this policy or for which you could be held legally liable.

You must not allow anyone else to cause *loss*, *damage*, *injury*, or do anything for which you could be held legally liable.

You must comply with all legal requirements imposed by any government or public authority for the safety of people or property.

You must comply at your expense with all reasonable recommendations we give you to prevent *loss* or *damage* to your property you have insured or to prevent *loss* or *damage* for which you could be held legally liable.

## **What you need to know about making a claim**

These general claims conditions apply to all parts of this policy. In addition, there may be specific claims conditions set out in the different sections of this policy.

As soon as you are aware of any event, circumstance or *occurrence* that is likely to result in a claim under this policy:

You must:

- (a)** notify us immediately;
- (b)** lay a complaint with the Police if you suspect burglary, theft, arson or intentional damage;
- (c)** take prompt steps to minimise the *loss*, *damage* or liability and avoid any further *loss*, *damage* or liability; and
- (d)** take reasonable steps to obtain details of any other person, property or vehicle involved and any witnesses.

You must not:

- (a)** dispose of or abandon any property for which you intend to make a claim;
- (b)** start any repairs without our permission unless it is necessary to prevent further *loss*, *damage* or liability;
- (c)** admit responsibility for any *loss*, *damage* or liability; or
- (d)** make or give any admission (of fault or fact), offer, promise, payment or indemnity or say or do anything that prejudices our ability to defend, negotiate or settle any claim made against you or make recovery for the *loss* or *damage* from any other person who may be responsible for it;

whether or not any such action or statement is ultimately relied upon in determining any issue of liability.

## **If you wish to make a claim on this policy**

You must then:

1. fully complete our claim form as soon as practical;
2. give us free access to examine and assess any *loss*, *damage* or liability;
3. provide any other information or assistance we reasonably request in relation to your claim;
4. forward any letter of demand or court documents to us immediately;
5. if we request it provide a statutory declaration to verify the *loss*, *damage* or liability;
6. if we request it attend interviews with any person we nominate; and
7. unless we are deducting it from any claim settlement to you be responsible for the payment of the excess to us or to the repairer.

## **After you have made a claim**

After *you* have made a claim on this policy we have the sole right to act in *your* name and on *your* behalf to negotiate, defend or settle any action against *you*. If we do this it will be at *our* expense, except in relation to any excess that applies.

## **After your claim is accepted**

After we have paid a claim or accepted liability for a claim on this policy either in whole or in part we have the right to take over in full any legal right of recovery or indemnity that *you* have. If we do this we may exercise these rights for *our* own benefit at *our* own expense and *you* must co-operate with *us* in all respects to allow *us* to do anything reasonably necessary to enforce that right. If *you* do not co-operate with *us* *you* must repay any amounts we have paid to *you* or any other party in respect of *your* claim.

*You* must not voluntarily and knowingly release any third party from liability arising from *loss* or *damage* insured by this policy unless first declared to and accepted by *us*.

If any lost or stolen property for which we have paid a claim is later found or recovered *you* must:

- (a) tell *us* immediately; and
- (b) if we request, hand the property over to *us*.

We have the right to keep any property, including any proceeds from its sale, for which we have paid a claim under this policy subject to adjustment if *you* have not been fully indemnified for *your* loss.

If any person is ordered to make or otherwise makes reparation to *you* for *loss* or *damage* to any property for which we have paid a claim under this policy *you* must reimburse *us* for that payment as soon as any reparation is made, subject to adjustment if *you* have not been fully indemnified.

## **If you don't agree with our claim decision**

If *you* do not agree with *our* decision on *your* claim then *you* should ring *your* adviser *your* agent *your* broker or *our* branch office. If *you* are still not happy and believe *our* decision is incorrect *you* can ring *our* Head Office on 0800 835 548 or write to *us* at Private Bag 92 120 Auckland.

## **General exclusions**

These are the general exclusions that apply to all parts of this policy. In addition, there are specific exclusions set out in the different sections of this policy.

There is no cover under this policy for any *claim*, *loss*, *damage*, liability, death or *disablement* resulting from or directly or indirectly caused by or arising in connection with:

### **1. Confiscation**

confiscation, requisition, destruction of, or *damage* to property by order of any Government or Local Authority unless it is to prevent or control *loss* or *damage* that would otherwise have been covered by this policy.

### **2. Electronic data**

- (a) total or partial destruction, distortion, erasure, corruption, alteration, misinterpretation or misappropriation of *electronic data*;
  - (b) error in creating, amending, entering, deleting or using *electronic data*;
  - (c) total or partial inability or failure to receive, send, access or use *electronic data* for any time or at all;
  - (d) communication, display, distribution or publication of *electronic data* but not where this causes bodily injury if otherwise covered by this policy or a section of this policy but for this exclusion;
- regardless of any other contributing cause or event whenever it may occur.

### **3. Radioactivity**

nuclear weapons material, ionising radiations or contamination from any nuclear fuel or from any nuclear waste which results from the combustion (including self sustaining process of nuclear fission) of nuclear fuel.

### **4. Terrorism**

any *act of terrorism* regardless of any other cause or event contributing concurrently or in any other sequence to such *loss*, *damage*, liability, death, *injury*, *illness*, *disablement*, cost or expense or action taken in controlling, preventing, suppressing or in any way relating to any *act of terrorism*.

## **5. Unlawful to insure**

any act, event or occurrence deemed to be unlawful to insure against.

## **6. War**

war, invasion, act of foreign enemy, warlike operations (whether war is declared or not), civil war, mutiny, rebellion, revolution, insurrection, military or usurped power.

## **General conditions**

These general conditions apply to all parts of this policy. In addition, there are specific conditions set out in the different sections of this policy.

### **1. Breach of condition**

If *you* or any *insured* under this policy breaches any condition in this policy all benefits under this policy will be forfeited. However, nothing in this policy affects *our* common law rights, including *our* right to avoid the policy for non-disclosure.

### **2. Cancellation by us**

We may cancel this policy at any time by sending a letter, facsimile or e-mail to *you* at *your* last postal address, facsimile number or e-mail address on *our* records. The cancellation will take effect at 4 pm on the 14th day after the letter facsimile or e-mail has been sent. In the event of such cancellation *we* will refund to *you* a pro rata proportion of the premium (subject to any adjustment required by the terms of this policy).

### **3. Cancellation by you**

*You* may cancel this policy at any time, and with immediate effect, by written notice delivered to *us* or by facsimile transmission or e-mail. In the event of such cancellation, *we* will be entitled to a pro rata proportion of the premium (subject to any adjustment required by the terms of this policy) for the time during which the policy has been in force.

### **4. Fraud**

If any claim is in any respect fraudulent or if any false declaration is made or false or incorrect information is used in support of any claim or if any fraudulent means or devices are used by *you* or anyone acting on *your* behalf to obtain any benefit under this policy *we* will not pay *your* claim and *you* will forfeit all benefits under this policy.

### **5. Goods and services tax**

Provided that goods and services tax (GST) is recoverable by *us*, the sum or sums insured by this policy are exclusive of GST to the extent that, in the event of a claim, *we* will pay a maximum of the sum insured plus additional GST to a maximum of the current rate of GST applied to that sum insured.

However, the *agreed value* under the commercial motor section and the benefits under the personal income section are GST inclusive.

### **6. Governing law**

This policy will be governed in accordance with the laws of New Zealand. Any disputes arising out of or under this policy will be submitted to the exclusive jurisdiction of the courts of New Zealand.

### **7. Headings**

Where headings or margin references are used in this policy they are purely descriptive in nature and are not to be used for interpretative purposes.

## **8. Instalment premiums**

Where we have agreed to accept payment of premium by instalments:

- (a) in the event of a claim being made against the policy we reserve the right to require immediate payment of the balance of any annual premium; and
- (b) if 14 days after the due date of the earliest instalment:
  - (i) any three consecutive fortnightly instalments remain unpaid; or
  - (ii) any two consecutive monthly instalments remain unpaid; or
  - (iii) any quarterly or half yearly payments remain unpaid;

all benefits under this policy will be forfeited from the date the first unpaid instalment was due until the date we receive all the overdue instalment premiums.

Where any instalment is overdue but the policy has not been cancelled any claim proceeds payable to *you* under this policy will be withheld by *us* until *you* have brought all instalments up to date.

## **9. Joint insurance**

Except in respect of the Employers Liability and the Statutory Liability sections of this policy if there is more than one *insured* named in the *schedule* this policy insures the *insureds* jointly. This means that if one of *you* does or fails to do anything so that there is no cover there will be no cover for any of *you*, not just the person or entity responsible.

## **10. Observance of terms and conditions**

The due observance and fulfilment of the terms and conditions of this policy by *you* in so far as they relate to anything to be done or complied with by *you*, and the correctness of any statements made to *us* (whether made by *you* or not), are conditions precedent to any liability we may have to provide any indemnity under this policy.

## **11. Other insurance**

If, at the time of any claim arising under this policy, there is any other valid and collectable insurance covering all or part of the same loss or liability this policy will apply only to the amount of any loss or liability in excess of that recoverable under the other insurance.

This condition does not apply to the personal income section of this policy except as specified in that section.

## **12. Terms, exclusions and conditions**

In all cases "The Indemnity" in each section is subject to all the terms, exclusions and conditions of the relevant section, and all the general obligations, general exclusions and general conditions of this policy.

## The indemnity

We will indemnify *you* for *damage* to any of the *insured property* occurring during the *period of insurance*.  
*You* will be indemnified by payment or, at *our* option, by repair or by replacement of the lost or *damaged* property.  
Subject to the reinstatement of amount of insurance extension *our* liability will not exceed the total sum insured; or where more than one item is included in the *schedule* will not exceed in respect of each item the sum insured applicable to that item.

## Automatic extensions

These automatic extensions form part of this material damage section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this material damage section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

### 1. Burglary

Notwithstanding exclusion 3 (b) of this material damage section we will cover *you* for *damage* directly resulting from theft or any attempt at theft accompanied by:

- (a) violent and forcible entry to or exit from any enclosed building. The burglary *excess* shown in the *schedule* will apply to claims under this part of this extension; or
- (b) violence or threat of violence to persons. The standard *excess* shown in the *schedule* will apply to claims under this part of this extension.

### 2. Capital additions

This section extends cover to property (including, but not limited to, alterations, additions and improvements to existing property) *you* acquire, during the *period of insurance*, situated anywhere in New Zealand.

This extension of cover does not apply to:

- (a) *stock* in trade;
- (b) property of any kind expressly excluded from this insurance; or
- (c) any appreciation of value that is not due to a physical alteration, addition or improvement.

Cover under this extension commences on each acquired property when the risk in the property passes to *you*.

Within 28 days of the last day of each quarter of the *period of insurance* particulars of each property acquired during that quarter must be given to *us*. On receipt of those particulars we will be entitled to charge an additional premium calculated pro-rata from the date on which cover commenced and the terms of this extension will be fully reinstated. Failure to advise *us* means there will be no cover for that property.

*Our* liability under this extension will not exceed the amount shown in the *schedule*.

### 3. Computer software

We will cover *you* for *damage* to computer software not otherwise excluded by the *electronic data* general exclusion or the computer virus and data corruption exclusion in this section or any other exclusion in this policy.

*Our* liability is limited to \$50,000 or the sum insured of this material damage section, whichever is the lesser amount.

### 4. Demolition and other costs

We will cover *you* for costs necessarily incurred for any of the following purposes in consequence of *damage* insured under this material damage section:

- (a) demolition, dismantling, shoring up or propping of the *insured property*;
- (b) removal of *stock*, plant and other *contents* whether *damaged* or *undamaged*;
- (c) disposal of debris (including any kind of solid, liquid or gaseous matter) from the site of the *insured property damaged* and the area immediately adjacent to such site.

*Our* liability in respect of any one event will not exceed the special limit shown in the *schedule*. If no such limit is shown the costs will be included within the sum insured on the affected property.

The cover provided under this extension does not include any amounts *you* become legally liable to pay by way of compensation or other *damages* resulting from pollution or contamination of property by any of the debris.

## 5. Electric motors

Notwithstanding exclusion 4 (b) of this material damage section we will cover you for damage to:

- (a) electric motors and starters that do not individually exceed 3.75 kw (5 hp); and
- (b) distribution switchboards and permanently installed electrical reticulation;

directly caused by failure of electrical insulation, or abnormal electric current, or electrically induced self-heating.

## 6. Electronic data

We will cover you for accidental loss or damage to insured property as otherwise excluded by General Exclusion 2 where the loss or damage excluded is caused by:

- (a) fire, explosion, lightning;
- (b) windstorm, hail, tornado, cyclone, hurricane;
- (c) earthquake, volcanic eruption, tsunami;
- (d) flood, freezing, weight of snow;
- (e) impact by aircraft or other aerial objects dropped from them;
- (f) impact by any road vehicle or animal;
- (g) bursting overflowing discharging or leaking of water tanks apparatus or pipes; or
- (h) theft of electronic data solely where such theft is accompanied by theft of the computer hardware, firmware, medium, microchip, integrated circuit or similar device containing such electronic data and where the theft is within the terms of the burglary automatic extension;

and where such cause is not otherwise excluded by this policy.

In addition where any of the matters excluded by General Exclusion 2 cause the following:

- (a) fire, explosion;
- (b) flood, freezing;
- (c) impact by aircraft or other aerial objects dropped from them;
- (d) impact by any road vehicle;
- (e) bursting overflowing discharging or leaking of water tanks apparatus or pipes;
- (f) theft of electronic data solely where such theft is accompanied by theft of the computer hardware, firmware, medium, microchip, integrated circuit or similar device containing such electronic data and where the theft is within the terms of the burglary automatic extension;

and where the loss or damage is not otherwise excluded by this policy then we will cover you for that resulting damage.

Any cover under this extension excludes the value to you of any electronic data.

## 7. Employees effects

This section extends the definition of insured property in respect of the item on contents to include the personal effects of your directors and employees, but only while the effects are at premises owned or occupied by you, or elsewhere while being worn, kept, carried or used by the directors or employees acting in the course of their duties or employment. The effects are deemed to be included in the description of insured property as if you owned them.

This extension of cover does not apply to loss or damage to the personal effects of any director or employee who is entitled to indemnity for that loss or damage under any other policy of insurance unless you are responsible for the loss or damage.

In respect of any one loss to any one director or employee our liability under this extension will not exceed \$5,000 or any alternative amount shown in the schedule. The indemnity provided by this extension will not increase our liability beyond the sum insured on the contents at the premises.

## 8. Expediting costs

Where a claim is payable under this material damage section for the cost of reinstating any insured property we will also cover you for such additional costs of express freight and overtime labour as are reasonably incurred for the purpose of expediting that reinstatement.

The indemnity provided by this extension will not increase our liability beyond the sum insured on the affected property.

## 9. Gradual Damage – Residential portion of building

We will pay for damage to the residential portion of your insured property resulting from the action of micro-organisms, mould, mildew, rot, fungi or gradual deterioration, caused by water leaking or overflowing from any internal water system, if the loss or damage first occurs during the time that you own the insured property.

The limit includes the cost of searching for the source of the problem if it is reasonably incurred and we have accepted a claim for the loss or *damage*.

An internal water system is any water pipe, waste disposal pipe, water cylinder or water storage tank which is permanently connected and contained within the walls, floors or roof of the residential portion of the structure and any pipe which is hidden from view that is connected to an appliance, such as a washing machine or dishwasher.

*Our* liability under this extension will not exceed \$5,000 for any one event and must be applied towards searching for and/or repair of the *damage*.

The *excess* will be the higher of \$500 or the standard *excess* shown on the *schedule*.

## 10. Hazardous substance emergency

We will cover *you* for any charge the New Zealand Fire Service is authorised to make against *you* in respect of any hazardous substance emergency at the premises shown in the *schedule*, whether or not there is any *damage* or threat of *damage* to the *insured property*.

Hazardous substance emergency has the same meaning as defined in the Fire Service Act 1975 (or any replacement Act) and any subsequent amendments.

*Our* liability is limited to \$10,000 any one event or the sum insured of this material damage section whichever is the lesser amount.

## 11. Money

Notwithstanding exclusion 8 (b) of this material damage section we will cover *you* for *money* as follows:

Section A

- (a) *money* in transit.
- (b) *money* at *your* business premises or sites of contract during *business hours*.
- (c) *money* in a securely locked safe or strongroom, approved by *us*, at *your* business premises outside *business hours*.

Section B

- (a) *money* at *your* business premises outside *business hours* and not in a securely locked safe or strongroom.
- (b) *money* at *your* residential premises or those of any *principal* or authorised employee.

### Additional cover provided

Notwithstanding exclusion 3 (b) of this material damage section the cover provided by this extension includes loss of or *damage* to *money* directly resulting from:

- (a) theft accompanied by violence or threat of violence to persons. The standard *excess* shown in the *schedule* will apply to claims under this part of this extension;
- (b) theft of any other kind, not expressly excluded from cover under this extension. The burglary *excess* shown in the *schedule* will apply to claims under this part of this extension.

In addition, we will cover *you* for loss or *damage* to *money* directly caused by or resulting from any earthquake, hydrothermal activity, landslip, volcanic eruption, or subsidence or erosion of the land.

### Additional exclusions

The cover provided by this extension is subject to the following additional exclusions:

- (a) loss due to errors in receiving or paying out;
- (b) loss or *damage* occurring while the *money* is entrusted to any person other than *you*, or any agent, or any *principal*, employee or any professional *money* carrier;
- (c) loss resulting from payment of *money* in exchange for any cheque that is subsequently dishonoured;
- (d) loss occurring while the *money* is in an unlocked and unattended vehicle;
- (e) loss directly resulting from theft or fraud by any of *your* employees. However this exclusion does not apply to loss discovered within 72 hours of the act of theft or fraud;
- (f) loss covered by a valid and collectable claim under a policy of fidelity guarantee (or equivalent) form of insurance.

## Limits of liability

*Our* liability will not exceed \$5,000 under section A and \$1,000 under section B unless any alternative amounts are shown in the *schedule*.

However, if an additional special limit designated "Christmas carry" is shown in the *schedule* it will take the place of the section A *money* limit for the period 1 December to 5 January of the following year.

## 12. Other interests

We will cover *you* and any person or corporate body where *you* are under an obligation to insure their interest in any of the *insured property*.

However:

- (a) we will not be liable to cover any person or corporate body whose interest has not been declared to us by the time indemnity becomes payable;
- (b) *our* liability to any other person or corporate body will be no better than any liability we have to *you*;
- (c) any such person or corporate body is not an *insured* under the policy and has no right to claim under the policy.

At *our* sole discretion any amount payable on account of a valid claim may be paid to the other person or corporate body. This will meet *our* obligations under this policy.

## 13. Portable equipment

We will cover *you* for portable computer equipment (such as a laptop, notebook, electronic diary, video data projector or similar) and cell-phones away from *your* business premises anywhere in the world including while in transit.

In respect of any loss or *damage* at or away from *your* premises, the Reinstatement Additional extension, if taken, will be extended only to any item of portable computer equipment (such as a laptop, notebook, electronic diary, video data projector or similar) that is less than two years old at the time of the loss or *damage*.

*Our* liability under this extension will not exceed \$5,000 for any one item, or \$10,000 for any one event, or the sum insured of this material damage section, whichever is the lesser amount.

## 14. Professional fees

We will cover *you* for all reasonable professional and clerk of works fees, salaries and costs necessarily incurred in reinstating *damage* to *insured property* which is covered under this material damage section. The insured fees, salaries and costs are included in the sum insured on the affected property.

This extension does not apply to fees for preparing claims made under this material damage section.

## 15. Property under construction

Notwithstanding exclusion 8 (a) of this material damage section we will cover *you* for property in the course of installation, construction, demolition, erection, or testing following any of them, provided the property is owned or to be owned or occupied by *you* and provided the completed value of the contract does not exceed \$100,000 unless an alternative amount is shown in the *schedule*.

## 16. Protection costs

We will cover *you* for any costs *you* reasonably incur for the purpose of, and for *damage* directly resulting from, controlling any cause of loss that involves or threatens to involve *insured property* which is covered under this material damage section.

However, this extension does not apply to costs or *damage* for which indemnity would be payable under this material damage section in the absence of this extension.

*Our* liability will not exceed for any one cause of loss \$100,000 unless an alternative amount is shown in the *schedule*.

## 17. Redundant foundations

For the purpose of claims under this material damage section the meaning of *damage* is extended to include the loss of value of foundations where the foundations of any building are made redundant for any reason in consequence of insured *damage* to the superstructures or plant resting on them. If it is not necessary to demolish the foundations in order to reinstate *damaged* property and if the presence of the abandoned foundations increases the *market value* of the property to which they are fixed the amount of increase will be treated as salvage in the adjustment of loss for claim settlement purposes.

## 18. Redundant plant and stock

### Redundant plant

We will cover *you* for redundant:

- (a) interdependent plant; or
- (b) spare parts of the *insured property* affected;

following loss or *damage* covered by this material damage section.

### Redundant stock

We will cover *you* for unavoidable permanent loss of the value of undamaged *stock* resulting from a loss of or *damage* to other *insured property* covered by this material damage section.

## 19. Reinstatement of amount of insurance

In the event of *damage* for which a claim is payable under this material damage section the amount of insurance cancelled by such *damage* will be automatically reinstated from the date of *damage*.

*You* undertake to pay such pro-rata premium at the rate applicable to the item concerned as may be required for the reinstatement, however no additional premium will be payable if the *damage* is less than 50% of the sum insured on the item concerned.

## 20. Release of liability

Where *you* are required by legislation or by contractual agreement to release:

- (a) the Fire Service Commission;
- (b) any fire protection equipment suppliers approved by the Insurance Council of New Zealand Inc;
- (c) any oil company; or
- (d) any other party to an agreement that has been declared to and accepted by *us*;

from liability arising from *damage* covered by this material damage section, the release is allowed without prejudice to this insurance and notwithstanding the subrogation condition of this policy.

Notwithstanding any provisions of this extension, this insurance will not be prejudiced by any disclaimer clause in any contract entered into by *you* for:

- (a) the storage of goods; or
- (b) the leasing of property;

whether the storage and leasing contracts are declared to *us* or not.

## 21. Rewards

We will cover *you* for the cost of any reward paid by *you* for the purpose of protecting or recovering any of the *insured property*.

However:

- (a) no payment will be made unless it contributes to the protection or recovery of the *insured property*;
- (b) the terms of the reward must be agreed by *us* before the reward is offered; and
- (c) *our* liability will not be increased beyond the sum insured on the *insured property*.

*Our* agreement to the terms of a reward payable under this extension will not be unreasonably refused.

- (a) net of salvage and other recoveries; and
- (b) net of any amount payable by the Earthquake Commission; and
- (c) except for "Personal Property" or a "Residential Building" as defined in the Earthquake Commission Act 1993 or any replacement Act net of the earthquake extension *excess* shown in the *schedule*; and
- (d) for "Personal Property" or a "Residential Building" as defined in the Earthquake Commission Act 1993 or any replacement Act and as not excluded by that Act net of the *excess* specified in *regulations* made under that Act.

A series of events arising from any one cause during any period of 72 consecutive hours will be treated as one event for the purpose of applying the *excess*.

## Stock declaration MD025

The premium charged for cover on *stock* is provisional, and represents 75% of the full premium payable for the sum insured on *stock*. It is adjustable at the end of the current *period of insurance* in accordance with the following conditions:

- (a) Declarations of the actual value of the property insured held on the last day of each month within the *period of insurance* must be made to *us* not later than six weeks after the end of each month.
- (b) The sum insured on *stock* is the limit of *our* liability for *damage* to that property. If any monthly declaration exceeds that amount, then in computing the average of the monthly declarations, the sum insured will be included in place of the actual declaration for that month.
- (c) If no declaration is received for any one month, the specified sum insured will apply in place of the declaration for that month.
- (d) The average of these monthly declarations will be computed at the end of the *period of insurance* and the actual premium payable will be assessed on that average (or on one half of the sum insured on *stock*, whichever is greater).
- (e) *We* will refund to *you* the amount by which the provisional premium exceeds the actual premium payable as calculated above. Alternatively, *you* will pay to *us* the amount by which the provisional premium paid falls short of the actual premium.

- (f) If, in any *period of insurance* you fail to furnish a minimum of 75% of the declarations required in terms of this extension the extension will cease to apply, and:
- (i) the premium will be calculated on the full sum insured; and
  - (ii) you must pay to us the amount by which the provisional premium falls short of that premium.

## Refrigerated goods MD027

Notwithstanding exclusion 7.2(g) we will cover you for:

1. *damage* to goods in refrigerated cabinets or chambers arising from *accidental* stoppage, *damage*, or malfunction of refrigerating plant. The words "goods in refrigerated cabinets or chambers" are deemed to include goods that are at the *situation* at the time of the loss causing event and that would, but for the event, have been placed in the refrigerated cabinets or chambers; and
  2. expenses reasonably incurred to avoid or minimise the *damage* insured by 1. above by either transferring the threatened goods to alternative storage or by other means;
- provided that this extension does not cover *damage* due to the disconnection of the public electricity supply by the supply authority where prior notice of the disconnection has been given at the time of *damage*.

Our liability under this extension is limited to \$2,000 per cabinet or chamber and \$5,000 in any one *period of insurance* unless alternative amounts are shown in the *schedule*.

## Theft MD028

Notwithstanding exclusion 3 (b) we will cover theft, or any attempt at theft, but not theft by:

- (a) you or by any of your employees;
- (b) any fraudulent scheme or device or false pretence practised on you or on any other person having care of the *insured property*.

The theft *excess* shown in the *schedule* will apply to claims under this extension.

## Transit – increased limit MD029

The automatic limit of \$5,000 is increased to the amount shown on the *schedule*.

## Reinstatement MD033

This extension applies to those items of *insured property* that have an excess of indemnity value shown in the *schedule*.

In the event of any *insured property* to which this extension applies being lost or *damaged* the basis on which the amount payable under this material damage section (or under each item of this material damage section if the property is described under separate items) is to be calculated will be the cost of *reinstatement* of that property.

Insurance under this extension is subject to the special provisions set out below.

"*Destroyed*" means so *damaged* that the property, by reason only of that *damage*, cannot be repaired.

"*Equivalent building*" means a *building* or structure that is as nearly as practicable the same as the *building* or structure lost or destroyed, using currently equivalent materials and techniques and incorporating such alterations as are necessary to comply with any *regulations*.

Where, as a result of any special circumstances no *building* or structure that falls within the scope of the paragraph above:

- (a) can be constructed:
  - a *building* or structure that is designed to perform a purpose or function the same as or equivalent to (but not more extensive than) that performed by the *building* or structure lost or destroyed; or
- (b) is suitable to your reasonable requirement:
  - then with our consent (which will not be unreasonably withheld), a *building* or structure that is designed to perform a purpose or function suitable to that requirement, but not more extensive than that performed by the *building* or structure lost or destroyed.

"*Equivalent plant*" means any plant or equipment as nearly as practicable the same as or equivalent to the plant or equipment lost or destroyed, having regard to the current state of technology, and having an equivalent capacity to that of the lost or destroyed plant or equipment, but not greater capacity unless plant or equipment with an equivalent capacity is not available and the replacement plant or equipment has the nearest to an equivalent capacity.

"*Reinstatement*" means in respect of *insured property damaged*:

- (a) where property is lost or destroyed, its replacement by an *equivalent building* or by *equivalent plant* as the case may require; or
- (b) where property is *damaged* but not destroyed, the restoration of the *damaged* portion of the property to a condition substantially the same as, but not better or more extensive than, its condition when new.

"*Site*" means a parcel of land owned or occupied by *you*.

## Special provisions:

### 1. Compliance with *regulations*

The amount payable under this extension will include the cost incurred in *reinstatement* which is necessary to comply with any *regulations*.

Provided that the amount payable will not include any such cost:

- (a) to the extent to which the work had already been required of *you* by notice served before the happening of the *damage*; or
- (b) in respect of *undamaged* property or *undamaged* portions of property other than foundations (unless foundations are expressly excluded from the insurance under this material damage section).

This special provision 1.(b) will apply whether or not the *undamaged* property or portion comprises a separate *building* or structure or a separate item of plant or equipment.

### 2. *Site of reinstatement*

Where property is *destroyed* the work of *reinstatement* must be carried out on the same *site*. The work may be carried out upon another *site* only:

- (a) where *reinstatement* on the same site is not permissible by reason of any *regulations*; or
- (b) where *reinstatement* on the same *site* is not suitable to *your* reasonable requirements, in which case, and with *our* consent (which will not be unreasonably withheld), *reinstatement* may be carried out on any alternative *site*.

### 3. Limitations on amount payable

- (a) Where the work of *reinstatement* is carried out in terms of paragraphs (a) or (b) of the *equivalent building* definition, or on any location other than the original location at the same *site*, *our* liability in respect of the cost of *reinstatement* will not exceed the cost that would have been incurred had *reinstatement* been carried out in terms of paragraph (a) of the *equivalent building* definition on the original location.
- (b) Where the *insured property* is *damaged* but not *destroyed*, *our* liability will not exceed the amount we could have been called upon to pay for *reinstatement* if the property had been *destroyed*.
- (c) *Our* liability under this extension in respect of any item of *insured property* will not exceed the sum insured in respect of that item.

### 4. Circumstances where this extension does not apply

No payment, beyond the amount that would have been payable had this extension not been incorporated in this material damage section, will be made:

- (a) if *you* elect not to reinstate the property;
- (b) if the work of *reinstatement* is not commenced and carried out with reasonable despatch;
- (c) until the cost of *reinstatement* has been actually incurred; or
- (d) where a *building* or structure is *damaged*, but not *destroyed*, and the repair of the *damage* is not permissible by reason of any *regulations*, or by reason of the *undamaged* portion of the property.

Where, by reason of any of these circumstances, no payment is to be made beyond the amount that would have been payable if this extension had not been incorporated in this material damage section, *your* and *our* rights and liabilities in respect of the *damage* will be the same as if this extension had not been incorporated in this material damage section.

## 5. Valuation of the property

- (a) At the commencement of each *period of insurance*, and in respect of that period, *you* must provide *us* with a certificate by a valuer approved by *us* specifying the estimated cost of *reinstatement* of any item or items of *insured property* to which this extension applies.
- (b) The certificate must also contain such other estimates or information as *we* may reasonably require.
- (c) The sum to be insured under this extension in respect of each item will not be less than the amount of the estimate specified in the certificate in respect of that item.
- (d) If a certificate is not provided in accordance with special provision 5.(a) within one month of the commencement of any *period of insurance*, the insurance in respect of each item of this material damage section to which this extension applies will be separately subject to the following condition of average:

### **Average Condition**

If, at the time of *damage*, the sum insured is less than 90% of the cost that would be incurred in *reinstatement* of the whole of the property to which the sum insured applies were *destroyed*, then *you* will be considered as an insurer for the difference between the sum insured and the sum representing the cost of *reinstatement* of the whole of that property, and must bear a rateable proportion of the loss accordingly.

## 6. Rates, tax and other charges

The amount payable under this extension will not include the amount of any rate, tax, duty, development charge, or any other charge or assessment arising out of capital appreciation, that may be payable in respect of the property by reason of compliance with any *regulations*.

### **Seasonal stock increase MD034**

The sum insured on *stock* (if any) is automatically increased by the percentage shown in the *schedule* during the months shown in the *schedule*.

## The indemnity

We will indemnify *you* for the resultant amount of loss if *your business* is interrupted or interfered with in consequence of *damage* at the premises during the *period of insurance*.

*Our* liability will not exceed the sum insured; and

if more than one item is included in the *schedule* will not exceed in respect of each item the sum insured applicable to that item; and

we will not be liable for any loss under this business interruption section unless *your property damaged* at the premises is insured against such *damage* by the material damage section of this policy (loss arising out of *damage* by boiler or economiser explosion excepted) and liability has been accepted for such *damage*, or would have been but for the amount of any excess.

## The insured items

### Item 1 - Gross profit

The insurance under this item is limited to loss of *gross profit* due to:

1. reduction in *turnover*; and
2. increase in cost of working;

and the amount payable as indemnity is in respect of:

- (a) reduction in *turnover* - the sum produced by applying the *rate of gross profit* to the amount by which the *turnover* during the *indemnity period* in consequence of the *damage* falls short of the *standard turnover*; and
- (b) increase in cost of working - the additional expenditure (subject to the provisions of memo 2) necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in *turnover* that, but for that expenditure, would have taken place during the *indemnity period* in consequence of the *damage*, but not exceeding the sum produced by applying the *rate of gross profit* to the amount of the reduction thereby avoided;

less any sum saved during the *indemnity period* in respect of such of the charges and expenses of *your business* payable out of *gross profit* as may cease or be reduced in consequence of the *damage*.

Memo 1: If during the *indemnity period* goods are sold or services are rendered elsewhere than at the premises for the benefit of *your business* either by *you* or by others on *your* behalf the money paid or payable in respect of such sales or services will be brought into account in arriving at the *turnover* during the *indemnity period*.

Memo 2: If any charges and expenses of *your business* are not insured by this business interruption section (having been deducted in arriving at the *gross profit* as defined) then the increase in cost of working calculation will use that proportion only of the additional expenditure which the *gross profit* bears to the sum of the *gross profit* and all such uninsured charges and expenses.

### Item 2 - Wages – dual basis

The insurance under this item is limited to loss in respect of *wages* and the amount payable as indemnity is in respect of:

1. reduction in *turnover*:

  - (b) during the remaining portion of the *indemnity period* the sum produced by applying the *rate of wages* to the *shortage in turnover* during the remaining portion of the *indemnity period* less any saving during such period through reduction in consequence of the *damage* to the amount of *wages* paid, but not exceeding the sum produced by applying the remainder percentage of the *rate of wages* to the *shortage in turnover* during the remaining portion of the *indemnity period* increased by such amount as is deducted for savings under clause 1.(a) above.

Note: At *your* option the *alternative period* may be substituted for the *initial period* provided that the amount arrived at under the provisions of clause 1.(b) will not exceed such amount as is deducted under clause 1.(a) for savings effected during the *alternative period*.

**2.** increase in cost of working:

that amount of the additional expenditure described in item 1 clause 2. of the relative *gross profit* item as exceeds the amount payable under that item, but not more than the additional amount that would have been payable in respect of reduction in *turnover* under the provisions of clauses 1. (a) and (b) of this item had such expenditure not been incurred.

### **Item 3 - Wages in lieu of notice**

The insurance under this item is limited to the loss incurred by *you* by the payment of *wages* for a period beginning with the occurrence of the *damage* and ending not later than the number of weeks thereafter shown in the schedule.

The amount payable as indemnity under this item will be the actual amount that *you* pay as *wages* for such period to employees whose services can not, in consequence of the *damage*, be utilised by *you* at all and an equitable part (based upon shortage of *turnover* or other index) of the *wages* paid for such period to employees whose services can not, in consequence of the *damage*, be utilised by *you* to the full.

### **Item 4 - Payroll**

The insurance under this item is limited to loss in respect of *payroll* and the amount payable as indemnity is, in respect of:

**1.** reduction in *turnover*:

the sum produced by applying the *rate of payroll* to the *shortage in turnover* during the *indemnity period*; and

**2.** increase in cost of working:

that amount of the additional expenditure described in item 1 clause 2 of the relative *gross profit* item as exceeds the amount payable under that item but not more than the additional amount that would have been payable in respect of reduction in *turnover* under the provisions of clauses 1. (a) and (b) of this item had such expenditure not been incurred.

### **Item 5 - Additional increased cost of working**

The insurance under this item is limited to the additional expenditure beyond that recoverable under any other item of this business interruption section reasonably incurred by *you* during the *indemnity period* and in consequence of the *damage* for the purpose of avoiding or diminishing a reduction in *turnover* or for the purpose of resuming or maintaining normal business operations.

This item does not include:

- 1.** any portion of the above costs that would have been recoverable under items 1, 2 or 4 but for the inadequacy of the sum insured under that item, other than where items 1, 2 or 4 are not insured; or
- 2.** costs of reinstating physical *damage*.

### **Item 6 - Loss of rent receivable - property owners**

The insurance under this item is limited to:

**1.** loss of *rent receivable*; and

**2.** additional expenditure;

**(b)** in respect of additional expenditure - the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of *rent receivable* which, but for that expenditure, would have taken place during the *indemnity period* in consequence of the *damage* but not exceeding the amount of the reduction in *rent receivable* avoided;

less any sum saved during the *indemnity period* in respect of such charges of *your business* payable out of *rent receivable* as may cease or be reduced in consequence of the *damage*.

The provisional premium will be adjusted at the agreed rate on such actual amounts, or a multiple of such amounts if the *indemnity period* exceeds 12 months, by payment to us of an additional premium or by a return of premium to you as the case may be. If a return of premium is due, it will in no case exceed 50% of the provisional premiums charged for the items.

In the event of a claim occurring during the *period of insurance* the amount paid or payable for the loss in respect of the period will be regarded as actually earned.

We will indemnify *you* for *loss* or liability as defined by Part 1 and Part 2 as applicable occurring during the *period of insurance*.

### Scope of cover

As shown in the *schedule* under "Type of cover":

**Comprehensive** – means all parts of this commercial motor section apply.

**Third party** – means only Part 2 and the uninsured third party protection extension under part 1 of this commercial motor section apply.

**Third party fire and theft** – means Parts 1 and 2 of this commercial motor section apply, however in respect of Part 1 cover is restricted to *loss* directly caused by fire, lightning, explosion, theft or illegal conversion and *loss* covered by the uninsured third party protection extension.

### Description of use

Cover only applies while the *insured vehicle* is in New Zealand and is being driven by or is under the control of you, or any person using the vehicle with *your* consent provided they meet all legal requirements to drive the vehicle:

- (a) in the course of *your* business or occupation stated in the proposal or submission; or
- (b) for private social or domestic purposes; or
- (c) in the course of a business or occupation comparable with *your* own stated in the proposal or submission and having been temporarily lent out without charge by *you*.

## Part 1 - Loss to the insured vehicle

We will indemnify *you* for *loss* to the *insured vehicle* occurring during the *period of insurance*.

We will at *our* option repair, replace or make a cash payment in accordance with the basis of settlement where an *insured vehicle* suffers *loss*. We will also pay the reasonable costs of having the *insured vehicle* removed to the nearest repairer or place of safety following an *accident*.

In respect of transit between the North and South Islands this Part includes general average and salvage charges payable according to foreign statement or York Antwerp rules if in accordance with the contract of affreightment or rules and regulations and acts governing the carrier.

### Basis of settlement

Unless otherwise specified in Part 1 or in any endorsement or extension the limit of *our* liability is as follows:

#### Market value / sum insured

We will pay the lesser of the *market value* of the *insured vehicle* or the sum insured shown in the *schedule*.

#### Agreed value

If any *insured vehicle* is subject to the *agreed value* option shown in the *schedule* then in the event of a total loss or a constructive total loss we will pay the sum shown in the *schedule*.

#### Repairs and parts availability

If *your insured vehicle* needs to be repaired we will pay the lesser of the latest New Zealand price of identical parts or accessories for the vehicle or the cost of making a new part. Where no such list applies the most we will pay will be the lesser of the last known list price in New Zealand or the price of the part's closest New Zealand equivalent or the cost of making a new part.

If the repair makes a substantial improvement to the condition or value of the *insured vehicle* before the *loss* you may be required to make a contribution towards the cost of repairs.

### Leased vehicles

If the *insured vehicle* is leased and we agree it is a total or constructive total loss and we choose not to replace the vehicle, we will pay the reasonable *market value* or the residual value, whichever is the greater amount, up to an amount no more than the *market value* of the *insured vehicle* plus 20%.

The residual value for the purposes of this clause means the agreed estimated value of the *insured vehicle* or the final book value at the natural expiry date of the lease contract, as set out under the terms of that contract.

No settlement under this clause will include any:

- (a) penalty for early termination;
- (b) penalty for any additional distance travelled;
- (c) unpaid obligations or outstandings;

## Part 2 - Liability to third parties

We will indemnify *you* against legal liability for *damages* and *defense costs* resulting from an *accident*, that occurs during the *period of insurance*, caused by or in connection with any *insured vehicle*, including while it is being loaded or unloaded, in respect of:

- (a) death of or *bodily injury* to any person;
- (b) *loss* of or damage to physical property;
- (c) *loss* of or damage to personal baggage and wearing apparel of any passenger.

The limit of *our* liability is the amount shown on the *schedule* for liability to third parties (inclusive of *defense* costs and expenses) in respect of any *one claim* or claims arising directly or indirectly from any one *loss*.

If the indemnity provided under this part is insufficient to indemnify both *you* and any other person entitled to cover under this commercial motor section it will apply in priority to *you*.

## Automatic extensions

These automatic extensions form part of this commercial motor section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this commercial motor section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

## 19. Intoxicating liquor or drug

It will be assumed that the proportion of alcohol in the blood or breath at the time of the *loss* was no less than the proportion of alcohol in any subsequent blood sample or breath test carried out following the *loss*.

## 20. Liability by agreement

for any liability that attaches by virtue of an agreement unless such liability would have attached in the absence of such agreement.

## 22. Overloaded vehicle

if the *insured vehicle* is loaded or has been loaded in excess of the manufacturer's recommended specifications or loaded or operated contrary to *regulations* or statute.

## 23. Unsafe vehicle

if the *insured vehicle* is in an unsafe or damaged condition unless *you*:

- (a) can prove that such condition did not cause or contribute to the *loss*; or
- (b) can prove that *you* and the driver were unaware of such condition; and

# Conditions

Refer also to the general conditions of this policy.

## 1. Care of motor vehicle

*You* must take all reasonable steps to prevent *loss* and maintain the *insured vehicle* in good repair. *We* will always have the right to examine the *insured vehicle*.

## 2. Modifications

*You* must tell *us* of any modifications that have been made to the manufacturer's standard specifications for the *insured vehicle*.

## 3. Other interested parties

If the *insured vehicle* is financially encumbered and the interested party is named in the *schedule* the proceeds of any valid claim will be payable to each such interested party in the order of their legal priorities and their receipt will be sufficient discharge, provided *our* total liability will be limited to such amount as would have been payable to *you* in the absence of this condition. Any interested party is not an *insured* under the policy and has no right to claim under the policy.

## 4. Sums insured

It is a condition of this commercial motor section that *you* will declare as the sum insured shown in the *schedule* the current *market value* of each *insured vehicle*. Values such as book value, depreciated cost, written down value and residual value will not be sufficient to comply with this condition.

We will be entitled at *our* expense and in *your* name to take any proceedings necessary to obtain relief from any other party and to take over and conduct the defence and settlement of any claim. *You* must provide all reasonable assistance and co-operation.

If the *insured vehicle* is mortgaged or secured by any other financial agreement we may make payment for any *loss* direct to the interested party. This will meet *our* obligations under this commercial motor section.

If we make any payment in respect of the total loss (or constructive total loss) of any *insured vehicle*, the cover granted by this commercial motor section on such *insured vehicle* ceases entirely from the date of such loss and no premium will be refundable for the unexpired *period of insurance* in respect of that *insured vehicle*. The *insured vehicle* then becomes *our* property.

If a claim is made for total loss following theft of the *insured vehicle* we may consider allowing time for the stolen vehicle to be recovered and elect not to consider settling *your* claim until the expiry of a period of 30 days from the date of reporting the *loss* to *us*.

## Additional extensions

### 4. Senior counsel

If *you* and *we* disagree as to whether a *claim* should be settled or defended, a senior counsel (to be mutually agreed upon by *you* and *us*) will be appointed to recommend whether to settle or defend the *claim*. The senior counsel will take into consideration the economics of the matter, the *fine* and costs that are likely to be recovered by the prosecuting authority, the likely *defence costs* and *your* prospects of successfully defending the action. The cost of the senior counsel's opinion will be paid by *us*, and will be payable in addition to the limits of indemnity shown in the *schedule* for this statutory liability section.

## Conditions

Refer also to the general conditions of this policy.

### 1. Authority

The *entity* agrees to act on *your* behalf with respect to:

- (a) giving notice of a *claim*;
- (b) the payment of premium and the receipt of any refund of premium that may become due;
- (c) the negotiation and receipt of any endorsement.

### 2. Confidentiality

*You* will not disclose the existence of this policy, its limits of indemnity, the nature of the insurance or the premium payable under it to any person or *entity* who is not an *insured* except where and to the extent:

- (a) *you* are required to do so by law; or
- (b) *we* give *our* prior written consent to such disclosure.

### 3. Excess

The *claim* will be adjusted net of the *excess* shown in the *schedule* which *you* must contribute as the first amount of any *claim*.

A single *excess* amount will apply to all *claims* alleging a *single occurrence*.

### 4. Limits of indemnity

The total amount payable in any one *period of insurance* by *us* under this policy (including automatic extensions and endorsements) on *your* behalf in respect of all *finer* and *defence costs* arising out of all *claims* will not exceed in the aggregate the limit of indemnity shown in the *schedule* for this statutory liability section.

### 5. Non-accumulation

Any payment provided under the terms of this policy will be non-cumulative with any cover provided under any other policy issued by any member company of Promina Group Limited.

### 6. Severability and non-imputation of proposal and policy

The proposal or submission will be construed to be a separate application for cover by each of *you*.

For the purpose of determining the availability of cover with respect to *claims* made against any of *you*, no fact pertaining to, no statement or declaration made in the proposal or submission, no state of mind or knowledge possessed and no failure to comply with the general and *claims* conditions by any one of *you* will be imputed to any other of *you*.

### 7. Take-over

If, during the *period of insurance* a *take-over* occurs, the cover provided under the statutory liability section of this policy is amended to apply only to *occurrences* taking place before the effective date of the *take-over*.

## The indemnity

We will indemnify *you* for *damage* to *machinery* that occurs during the *period of insurance*.

The insurance will only provide indemnity while the *machinery* is:

- (a) working or at rest; or
- (b) being dismantled, moved, reassembled, or reinstalled for the purpose of cleaning, inspection, adjustment, repair, overhaul or relocation;

within the boundaries of the *situation*, and will only commence after completion of a successful initial commissioning of the *machinery* at the *situation*.

Subject to the reinstatement of amount of insurance condition *our* liability will not exceed the sum insured; or where more than one item is insured will not exceed in respect of each item the sum insured applicable to that item.

## Sum insured

The sum insured for each item at the commencement of this insurance or any subsequent renewal must not be less than the *new replacement value*.

If in respect of any item the sum insured declared is less than the correct amount, the amount recoverable by *you* under this machinery breakdown section will be reduced in such proportion as the sum insured bears to the *new replacement value*.

## Basis of indemnity

At *our* option we will provide indemnity to *you* by payment or by repair or by replacement of the *damaged machinery* and by payment of any insured costs.

1. Where *damage* to an insured item can be repaired we will pay all expenses necessarily incurred to restore the *damaged* item to its state of serviceability immediately before the *damage*. If the repairs are executed by *your* own staff we will only pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable allowance to cover overhead charges.

If any parts are unprocurable *our* liability for these parts will be limited to the manufacturer's or supplier's latest list price.

2. Where an insured item is totally destroyed we will at *our* option:

- (a) pay the actual value of the item immediately before the *damage* which is calculated by deducting reasonable depreciation from the *new replacement value* of the item; or
- (b) supply an equivalent replacement item similar in type, capacity and condition to the insured item immediately before the *damage* and pay any costs for ordinary freight and installation.

An insured item will be deemed to be totally destroyed if the cost of repairs permitted by paragraph 1 equals or exceeds the actual value of the insured item immediately before the *damage*.

3. In the event of *damage* to a motor which has a capacity under 5.6kw (7.5hp) and on which a repair is either not practicable or not carried out depreciation will be deducted from the sum insured applicable at the rate of 15% per annum for each year, or part of a year, elapsed in excess of two years.

For the purpose of this paragraph a motor includes any associated or ancillary items (such as but not limited to pumps, fans, compressors, control panels) forming an integral part of a *machine* if such items are more than two years old.

However:

- (a) the maximum deduction will not exceed 80% of the applicable sum insured; and
- (b) no deduction will be made for any insured costs incurred for labour or freight.

## Automatic extensions

These automatic extensions form part of this machinery breakdown section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this machinery breakdown section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

However, we will not be liable for:

- (a) the additional cost of altering or modifying any part of any refrigeration or air conditioning plant to enable the *machinery* to operate with a more ozone friendly refrigerant in accordance with the Ozone Layer Protection Act 1990 (or any replacement Act) and any subsequent amendments; or
- (b) loss or *damage* to any part of any refrigeration or air conditioning plant where the loss or *damage* is attributable to any alteration or modification made to enable the plant to operate with a more ozone friendly refrigerant in accordance with the Ozone Layer Protection Act 1990 (or any replacement Act) and any subsequent amendments.

Proviso (b) will not apply to any *machinery* in respect of which the alteration or modification has been *notified to us* and we have agreed in writing to continue the insurance notwithstanding that alteration or modification.

provided we are given notice immediately you become aware of any of the above happenings. You also agree to pay an appropriate additional premium if required.

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One reason is that the public sector has become a more important part of the economy. Another reason is that the public sector has become a more attractive place to work. A third reason is that the public sector has become a more important part of the welfare state.

The increase in the number of people employed in the public sector has led to a number of changes in the way that the public sector is organized. One change is that the public sector has become more decentralized. Another change is that the public sector has become more market-oriented. A third change is that the public sector has become more customer-oriented.

The changes in the way that the public sector is organized have led to a number of challenges for the public sector. One challenge is that the public sector has become more complex. Another challenge is that the public sector has become more competitive. A third challenge is that the public sector has become more demanding.

The challenges that the public sector faces are a result of the changes in the way that the public sector is organized. The public sector must find ways to meet these challenges in order to continue to provide the services that it is responsible for providing.

One way that the public sector can meet these challenges is by increasing the number of people employed in the public sector. This can be done by recruiting more people to the public sector and by training more people for the public sector.

Another way that the public sector can meet these challenges is by increasing the efficiency of the public sector. This can be done by reducing the number of people employed in the public sector and by increasing the productivity of the people who are employed in the public sector.

A third way that the public sector can meet these challenges is by increasing the quality of the services that the public sector provides. This can be done by investing in the public sector and by improving the way that the public sector is managed.
